# QUALITY

## Quality

*ALEX Center Trade quality means doing the job right the first time. We are continuously striving to improve our performance through the endorsement of new plans and visions as well as implementing high-end technology in everyday works.*

SAFETY

SAFETY

# Safety

*ALEX Center Trade* has a world-class safety accreditation and acknowledgement, with safety and health EM 385-1-1.

The implantation of such accreditation is integrated in our philosophy.

*Every accident therefore every injury, is preventable.*

Alex Center Trade

## *ALEX Center Trade Policy*

*takes safety and health standards seriously.*

*We are proud to hold a world-class safety accreditation and acknowledgement, in compliance with the Occupational Safety and Health Administration (OSHA) standards, specifically the EM 385-1-1.*

*This accreditation reflects our commitment to maintaining a safe work environment for our employees and clients.*

*In addition to*

*complying with OSHA standards, we also prioritize continuous improvement in our safety performance. We conduct regular safety audits, risk assessments, and incident investigations to identify areas for enhancement and implement corrective actions.*

*By fostering a culture of safety, we empower our employees to actively contribute to the prevention of accidents and injuries.*

## *At ALEX Center Trade*

*our unwavering commitment to safety is not just a regulatory requirement but a fundamental value. We strive to create a work environment where safety is everyone's responsibility, and where accidents and injuries are seen as preventable occurrences.*

*Through our dedication to OSHA standards and continuous improvement, we aim to maintain the highest level of safety for our employees, clients, and stakeholders*
